

International Model A Day Ben Wheeler – September 22

Saturday, September 22, saw the 2012 International Model A Day hosted by the Ben Wheeler Arts & Historical District Foundation. The event was sponsored by several of the Model A clubs in the area (Cedar Creek, Tyler, Autumn Trails, Dallas) and was run mostly by the members of the Cedar Creek Club.

This year we had over 180 visitors register and 70 or so cars gathered. This has to be one of the larger and more impressive events celebrating International Model A Day. The event included live music, car games, the raffle of the beautiful quilt made by Nancy Kemp, many door prizes and.... FOOD! The day concluded with a short driving tour of the back roads of Van Zandt County.

Ladies of our club running the registration.

Ben Lowery & Texas Express provided music all day.
