## PRESIDENT'S MESSAGE

### President's Message

Hello, Members;

Can you believe it's been 40 days since our last meeting. Our July meeting was held on June 27th. At the home of Bob and Gigi Beck. I would like to say thank you to Bob and Gigi for hosting this meeting and ice cream social. With 26 members and enough ice cream and sweets for everyone to make a couple of trips to the serving table. To those of you who made the ice cream, cake and cookies, THANK YOU. Everything was great.

Congratulations to Nancy Wittner for winning the 6 month drawing.

On July 7th we had 4 Model A's with 6 members attending the Enchanted Oaks Fourth of July Parade. After the parade 4 of us in two Model 'A continued on to Malakoff for their first ever car show.

Wednesday July 18th we met at The Kitchen Table in Eustace for our monthly breakfast. We sure do like

to eat with 22 members showing up. After a good breakfast and conversation it was off to a mystery hunt. Having 5 Model As and two modern cars trying their luck at understanding my clues. An hour later everyone returned to The Kitchen Table with their answers and items. They looked confused? I think they all had a good time. The winners were Bob and Jody Letchworth 1st place, 2nd place went to Billy and Lou Carpenter, 3rd place was Ken and Lillian Parker, all winners received a Chili's Gift Card.

July 21st was the Eustace Volunteer Fire Dept. Car Show. We had 3 entries at the show with Bob Letchworth winning 1st place with his 1965 Ford Pickup. I somehow won Most Original Car and People's Choice award. ( Go Figure )

Our next meeting will be August 7th at the Dairy Queen in Seven Points. Tire Kicking at 5pm and meeting at 5:30pm. See everyone there.

Walt.

### **Museum Update**

The construction of the museum is moving along rapidly toward a completion date in early September. Individuals and local clubs have ordered over seven hundred inscribed bricks for the walkways. If you plan to have your brick installed by the Grand Opening on May 18, 2013 you should order it soon.

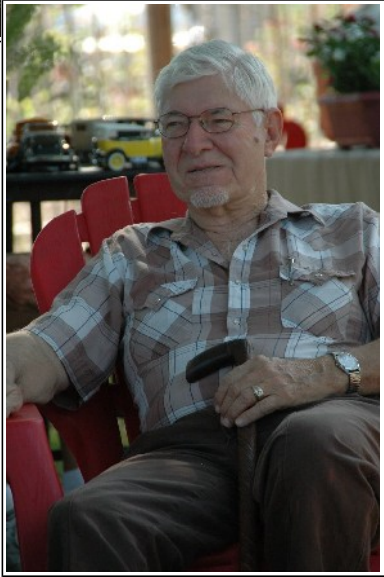

Several MAFFI Trustees attended both the MARC and MAFCA summer meets and provided information about the museum status, and the plans for the interior of the museum. Now is the time for individual Model A owners to consider a donation or loan of items for the museum. All donated items are tax deductible and will be labeled with the donor's name. Collections and displays that show the functioning of Model A components are especially needed as we begin to layout the exhibits. Contact Phil Ierardi at [pni1938@gmail.com](mailto:pni1938@gmail.com).

As always, we continue to ask for your financial support. The current Quilt and Tire Raffle is based on a beautiful quilt created by Ruth Janke of California supplemented by a second drawing of two Diamond Tread Goodyear Tires from Kelsey Tire Company. Your club's MAFFI liaison should have raffle tickets. You will also find photos and tickets at [www.maffi.org](http://www.maffi.org) on the quilt raffle page. The drawing will be September 15th and you do not have to be present to win. We have also received a very generous gift from the Whitehouse A's in Ohio, out of proceeds from hosting the MARC membership meet in April 2012. Thank you to the Whitehouse A's!

Congratulations go out to MAFFI editor Stephanie Grundman who was awarded the MAFFI Volunteer of the Year Award. Stephanie has been serving as our newsletter editor for several years and does an great job with the newsletter and everything else she tackles. At Marquette we thanked departing members of the board whose terms had expired – Howard Minners, Loukie Smith, Jay McCord, and Gary DuPen and welcomed new members Rob Seiter, Janice Barker, Anne Nealy-Beck, Don Miller, Rob Mills and Steve Ribeau. Great people who are working hard to make a your museum.

## Thoughts for the month:

Frame every so-called disaster with these words 'In five years, will this matter?'

Is there another word for 'synonym'?

Would a fly without wings be called a 'walk'?

If you try to fail and succeed, which have you done?

Keep skunks, bankers and lawyers at a distance.

Life is simpler if you plow around the stumps.
