President's Message

Hello Members:

We have had a busy month with the 4th of July, the Enchanted Oaks parade on the 6th. There were 12 members that participated in the parade. Lou's roadster received honorable mention.

On the 16th, several of us gathered at the DQ to celebrate their 10th anniversary and then on the 18th a good group of us were there for cruise night. Chuck distributed some of the fliers for International Model A Day.

There were 18 of us that met for the Ice Cream Social at Bob and Gigi Beck's home.

After we enjoyed the goodies and ice cream we discussed IMAD. It was decided that Tina, Gigi and Ola would sell 50/50 tickets, Lou & I would sell

the raffle tickets. Bill Capps and Walt will take care of the car games, Walt and Harris will handle the door prizes. Jim will collect the meal tickets at the meal line we also will have a donation container at the meal line.

Several members volunteered to contact the other clubs regarding IMAD and the need for participation in these activities.

It was also decided that the club would pay for a portion of the Luau that is being planned for September.

Last but not least there was 16 of us that met for breakfast on the 25th at the Kitchen Table. Once again a good time was had by all.

Jody.

The next big event at the Model A Museum is September 20-21 2013. We are moving to the next phase of the museum where we will be holding an annual meet at The Gilmore complex. This year we will have some seminars and a banquet on Saturday night. Registration form available at the MAFFI.org website.

Many have visited the Model A Ford Foundation Inc. website during the construction phase. We had a live feed camera displaying a picture from the building across from the museum. This was great to stop by and see what was happening at the museum. Well we have moved the camera inside now that the museum is finished and invite you to come back to maffi.org and see some of the inside of the museum and watch people enjoying the displays.
