President's Message

Hello, Members:

August has been a full month of activities for the club.

There was a small group of us that attended the meeting in Ben Wheeler on the first, regarding IMAD

Thirteen of us were able to make it to cruise night on the 15th. Several of us girls decided to have a luau meal planning meeting at the next cruise night which will be on the 19th of September.

Due to several doctor appointments and various other appointments, our breakfast group was down a bit. we were all glad to see Sandra and Bill

back from their trip. Harris' friend Roy also joined us.

We had a nice group that made it to the fish fry at Ben Wheeler. Even though the weather was warm, the food was good. The fellowship was great and I think a good time was had by all.

I probably will not be at the September meeting, I am in California; my daughter has had surgery, all is okay and I plan to see you all for breakfast the 17th??

As Danny would say:

CEDAR CREEK MODEL A FORD CLUB

Minutes for August 6, 2013

President Jody Letchworth called the meeting to order at 5:30 PM and welcomed everyone. Jody then led the group in the Pledge of Allegiance.

Jody asked if there were any changes needed to the July minutes. There were none. Chuck Sportsman made the motion to accept with a second from Bill Capps.

(Continued on Page 2)

Gigi Henderson read the treasurer's report, which was accepted by Chuck Sportsman and Bob Beck.

SUNSHINE REPORT: We had good news from our club this month. Virginia Helebrand was told her cancer is in remission. Brooks Gremmel is feeling much better. Pray for good news every month.

Although the Texas summer was in full attendance, it seems everyone had a good time for the Ice Cream Social. We had 18 members present and a lot of good ice cream and baked goods. Missed all those who could not attend.

We have three birthdays this month. The only member present to receive the invocation of Happy Birthday, was Gigi Beck.

There were 28 members present and two guests, Mr. Gary Vick and his Granddaughter, Chaise Edwards. Mr. Vick is seeking a 31 Ford. We hope he will return to visit again, and if anyone knows of a car available perhaps we can let him know.

Ola Powell sold \$76 worth of raffle tickets.

Letter was received from MAFCA thanking us for the donation for the bills and maintenance of the new Museum. Gigi Henderson-Beck had mailed them a donation of \$100 on July 3, 2013.

Jody reviewed Plans for International Model A Day with Chuck. Tents and menu was discussed. Serving of lunch will consist of hot dogs and Brats with pinto beans. Cookies will be requested from the females of clubs attending. Hopefully we finally have the plans for food down pat. Also, we might need back up cooks. Several members stated they were up to the task. We need to come up with plans for fun things to do Friday night, so if you have suggestions please let someone know. Several members have been contacting businesses for donations.

Bill Capps would like to have new caps ready by the Model A Day. Walt and Ola will be checking on that.

Mabank Back-To-School Day is Saturday, Aug 10. We have been asked to provide a few cars for the parents to look at during the morning.

Raffle winner was Billy Carpenter first, then Jim Blakney won second.

Autumn Trails in Winnsboro is October 24- 27, with the parade and lunch on the 26th.

Cruise night at 7 Points Dairy Queen on 8-15.

Breakfast gathering will be on Tuesday, August 20, at 8:00 at the Dairy Queen in Seven Points.

Motion made to adjourn by Joe Creecy with Paul Pirtle seconding.

Prepared by Treasurer, Gigi Henderson-Beck

LET'S Go To Luckenbach, Texas

Not sure if Waylon and Willie and the boys will be there but MAFCA will for its
MAFCA's 4th National Tour

Everyone is invited to "A" Texas Spring as we drive through the legendary Texas Hill Country March 9-14, 2014. Imagine touring historic towns while driving along picturesque country roads. Starting in historic New Braunfels, we will make our way through Marble Falls, Fredericksburg, Boerne and Kerrville. Our journey will allow us to visit the Alamo, home of Texas' independence and while there shop till you drop along the world famous River Walk. Visit LBJ's Ranch, home of our 36th president. With daily drives of between 100 to 120 miles you will have plenty of time to stop and enjoy the historic and beautiful sites along the way.

Be sure to mark your calendar and watch for additional information in future *Restorer Magazines* and at mafca.com

Editor's note:

Your harried newsletter editor is on the road again, preparing this newsletter in a motel room. This time, it is kind of interesting since there has been major thunderstorms in the area and the motel has been without power for several hours. (I hope the battery lasts on the computer) Apologies are in order once again for being late and unable to send the paper copies to those without e-mail.

Sure do need input for the newsletter from y'all. The newsletter gets awful thin when it's just me supplying pictures and commentary.

Thoughts on growing old.

(or maybe already **BEING** old!)

Going out is good.. Coming home is better!

You forget names.... But it's OK because other people forgot they even knew you!!!

You sleep better on a lounge chair with the TV blaring than in bed. It's called "pre-sleep".

You miss the days when everything worked with just an "ON" and "OFF" switch..

What used to be freckles are now liver spots.

Everybody whispers.

You have 3 sizes of clothes in your closet.... 2 of which you will never wear.
