President's Memo

Hello, all;

The April breakfast was at the Seven Point DQ, with 15 members attending.

12 members, 4As, a '49 Plymouth and the Lee's truck traveled on to Ennis to enjoy the bluebonnets. They were beautiful! Then we stopped at San Jose for lunch. Good food and great fellowship.

Due to rainy weather the tech meeting scheduled for the 14th was canceled and rescheduled for the 28th. 10 members and 7 cars participated. Julia our newest member drove her A-400, this is the car that several of the guys worked on recently. Student participation was good and a couple of the boys inquired about becoming members of our club.

The auto shop car show was last Friday night from 5-8 at the shop area.

The Emory parade was last Saturday. Several traveled as a group and met at Vatonis at about 7:30 and left for Emory.

Thoughts for May

Why are actors IN movies but ON television?

Why do toasters always have a setting that burns the toast?

Why does grass grow where you do not want it and not grow where you do?

Why do we say we slept like a baby when they wake up every two hours?

Why do we pay to get to the top of tall buildings, then pay to use binoculars to look at things on the ground?

Why, when a deaf person goes to court, do they still call it a hearing?

What is a Japanese Maple tree called in Japan? (Ans: Baby's Palm)

We say, "It's Greek to me." What do the Greeks say? (Ans: It's Chinese to me.)

If we don't care that Jimmy cracked corn, why do we still sing about it?

Why does Goofy stand upright and Pluto stand on all four feet? They're both dogs.
