President's Message

Hello, all;

This has been a long cold month.

Fifteen members and one visitor meet for breakfast at the Mabank Cafe on the 17th.

Sue has emailed the other clubs the letter regarding IMAD. As of this time she has only heard from Tex. Sue will be mailing a followup letter to the other clubs since she has not heard back via email from them.

Hope all is well with everybody and looking forward to the meeting this coming Tuesday March the 2nd.

See you there.

The best sermons are lived...., not taught. - (continued)

Today at 7AM, I woke up feeling ill, but decided I needed the money, so I went into work. At 3PM I got laid off. On my drive home I got a flat tire. When I went into the trunk for the spare, it was flat too. A man in a BMW pulled over, gave me a ride, we chatted, and then he offered me a job. I start tomorrow.

Today, as my father, three brothers, and two sisters stood around my mother's hospital bed, my mother uttered her last coherent words before she died. She simply said,

"I feel so loved right now. We should have gotten together like this more often."

Today I kissed my dad on the forehead as he passed away in a small hospital bed. About 5 seconds after he passed, I realized it was the first time I had given him a kiss since I was a little boy.

Today in the cutest voice, my 8-year-old daughter asked me to start recycling. I chuckled and asked, "Why?"

She replied, "So you can help me save the planet."

I chuckled again and asked, "And why do you want to save the planet?"

"Because that's where I keep all my stuff." she said.
