## President's Message

### President's Message

February 2, 2016: Club meeting was called to order at 5:32p.m. There were no guest in attendance. I encourage all our members to bring guest to our meetings. Neighbors, friends and family are welcome! \*(Enemies will be ok too! They might just find a friend in one of us!) To become a member of our club it is not necessary to own a Model-A. We can always sell them a car later.

Sue read our financial report. We have more in the bank than Emma gives me for allowance each month. Maybe I should buy more raffle tickets to have a better chance to win the 50/50 in July. Watch out Walt, I will give you a run in July. I need more car parts!

We elected to go as a group to the Henderson County Performing Arts Center, Feb. 18 ·2016. ("Marriage Can Be Hazardous to Your Health"). We will meet at the Gun Barrel City "China Café" for early dinner then boogey on down the road to fine our seats before dark sets-in.

Julia Waterman called the American Pickers who will be in Texas early February. I'm excited to talk to her about the call! Did Daniele get back to her? Did she make an appointment with Mike Wolfe & Frank Feitz? Will Julia be on TV?

Walt said Virginia has her good days and a few down moments. He showed us a photo of her and himself taken in their car. If you missed seeing the photo, you missed a pretty, happy, face on Virginia. Walt looked ok too! Walt also told us his daughter, Dianne is going to Houston, "M.D. Anderson" for treatments. Walt our club members are praying for Dianne, your daughter. Keep us informed!

Jody couldn't make the February meeting because of the pain management injections she has to take. We missed both She & Bob. We wish Jody well! Question: Jody is this what happens? Pain at the end of the president's term!

New Business: Life time membership; Motion was given to make Shirley Leone a life time member of our club. Shirley is always giving to us. This is the least we can do to give a little back to her! Shirley our club members appreciate you!

February 13, Dinner with Elvis: We had 13 members in attendance. The entertainment was well worth the valentine-eve night. Our ladies swooned over Elvis and had memories of their teen years. Most of the men were ready to go home after dinner/it was bedtime. Several ladies received a rose & scarf from Elvis. We had a good time.

February 14, 2016: "Happy Anniversary!" GiGi & Bob will be married 4-years! GiGi said, "No phone calls & don't expect Bob to be in the garage on her anniversary!" ("Indisposed, do not disturb!") My question is: What is an old fashion Shivarree/Chivarree? Does anyone know?

February 16, 2016: Breakfast at Athens Café: We had 14 members! Breakfast was good but I had car break-down on side of road! Now Walking!

February 18, 2016: See you at the Henderson County Performing Arts Center & Dinner at China Café.

People, Places & Events: Our own Julia Waterman made the "Monitor News Paper". Did you see her in the photo? One page write-up with Gloria Campos!

I've reach the age where my thoughts often leave the station without me.

Of course I talk to myself. Sometimes I need expert advise.

I never make the same mistake twice. I make it 5 or 6 times just to be sure.

I'm sorry. I didn't mean to push all your buttons. I was just looking for mute.

I'm at the snapdragon part of my life. Part of me snapped & the other part is dragging.
