**Ennis Polka Fest
Saturday May 27th**

Our club was represented in the parade with 3 cars driven by Harris, Gerald, and Bill and Lou, The weather was great for the last of May with temps in the low nineties and a nice breeze. Huge crowds lined the parade routes for blocks. We all agreed it was a very enjoyable day.

**After eating an entire bull, a mountain lion felt so good he started roaring.
He kept it up until a hunter came along and shot him.**

The moral: When you're full of bull, keep your mouth shut.

Vintage Purse Display at the Model A Museum

A new exhibit at the Model A Museum features vintage purses from the early 1900's with special focus on the purses from the Model A Era. These lovely bags were recently donated by Cliff Ladman of West Milton, Ohio in memory of his wife Ruby, who had collected Model A Era fashions over a period of many years.

On September 16, 2017 during Model A Day at the Museum. Judith Coebly will be presenting a seminar entitled "Vintage in Style: From Pouch to Purse". Her extensive display of purses from 1700 to mid 1930's will be on display for you to view. Accompanying her power point presentation will be 4 handouts: (1) History of the Handbag: From Pouch to Purse Timeline, (2) Definitions Helping Us Understand the History of the Handbag, (3) Victorian "Language of the Flowers" on Beaded Purses and Important Firsts used in Dating Handbags and (4). Bibliography.

Please come to the museum and see our new purse display and other beautiful fashion items that are on display. Make a point to visit us during Model A Day, September 16, 2017 and take in the seminar as well. Our museum has something for *everyone* who loves the Model A!

New Car - Old Folks

A retired older couple returned to a Mercedes dealership where the salesman had just sold the car they had been interested in to a beautiful, leggy, busty blonde in a mini skirt and a halter top.

The old man was visibly upset. He spoke to the salesman sharply, "Young man, I thought you said you would hold that car till we raised the \$95,000 asking price. Yet I just overheard you closed the deal for \$75,000 to the lovely young lady there. And if I remember right, you had insisted there was no way you could discount this model."

The salesman took a deep breath, cleared his throat and reached for a large glass of water and said sheepishly:

"Well, what can I tell you? She had the cash ready, didn't need any financing help, and, Sir, just look at her, how could I resist?"

Just then the young woman approached the senior couple and gave the car keys to the old man.

"There you go," she said. "I told you I could get that idiot to lower the price. See you later Dad, Happy Father's day."

Once again.... don't mess with seniors.
