**Sunshine Report
Sue Capps**

From Shirley:

Gloria’s surgery went well and her healing has been remarkable. My sister Janice and I are making progress earning our “jr nurse and elder care” badges as members of the fictitious “gray scouts” organization. The surgeons removed a 3.6x 1.5cm tumor from her tongue, lymph nodes from her neck and did reconstruction in her mouth. 3 of the lymph nodes were cancerous and “leaking”. Because of that she has an appt with a radiology oncologist on weds for consult. We are working with her on swallowing therapy and trying to get her to move her tongue (what is left of it). My Mother is hanging in there, wanting her girl to get better. Unsure when I’ll get back. All prayers are appreciated!

Girls Day Out

Our Model A ladies enjoyed a day out in Canton. First we enjoyed lunch at Buttermilks. Then some shopping at a consignment shop Julia had discovered. Our last stop was checking out the quilts at the Quilt Show.
