President's Message November 26, 2017

Hello All,

This will be my last Presidents Message! I want to thank everyone for their assistance the past two years of my term.

We enjoyed the Club's 15th anniversary at the "Blue Lucy". A good time by all, very good food was provided and accommodations by Jody and her nephew. Thank you!

December 2, 2017; Club Christmas Party: Caution of the duck! We all have enjoyed passed parties and I'm sure there will be a lot of food and fun at this year's party.

Again, I would like to thank everyone for their assistance the past two years of my term in office. I will soon be passing the gavel to Walt Hellebrand, a past president. Seems like the club has no choice but to pass the title to the same club members for another term. Please get active in our meetings and help guide the club forward. We need to encourage new members.

As President for now-- Good-by: Member forever; thank you!
Gerald Phariss

Thoughts

If I had a dollar for every girl that found me unattractive,
they would eventually find me attractive.

I find it ironic that the colors red, white, and blue stand for freedom
until they are flashing behind you.

A recent study has found that women who carry a little extra weight,
live longer than the men who mention it.

Relationships are a lot like algebra.
Have you ever looked at your X and wondered Y?

America is a country which produces citizens who will cross the ocean to fight for
democracy but won't cross the street to
vote.

Money talks ...but all mine ever says is
good-bye.

I'm not fat, just... easier to see.

If you think nobody cares whether you're
alive, try missing a couple of payments.
