President's Message

HELLO MEMBERS!

Welcome to the new year 2018. I hope everyone had a safe and MERRY CHRISTMAS and a HAPPY NEW YEAR.

Thank you Gerald for leading us for the past 2 years a job well done. And thank you Emma for all the extra work in providing us with all the information of what was going on around the lake area.

I will try my best to keep our club going forward in the new year. Thank you to the officers for stepping up and showing your support of our club.

Now on personal I would like to say thank you to everyone who went to visit Virginia and asked how she was doing, and the many phone calls. This past December 15th marked 2 years she is at the nursing home. (She is great)

On January 2nd 2018 will be our first meeting of the new year. It is also the day that my family will be having the memorial for my Daughter Diane. I urge all members to please attend this important meeting.

Thoughts

I don't suffer from insanity; I enjoy every minute of it.

Some people are alive only because it's illegal to kill them.

I used to have a handle on life, but it broke.

You're just jealous because the voices only talk to me.

Beauty is in the eye of the beer holder.

Earth is the insane asylum for the universe.

I'm not a complete idiot -- Some parts are just missing.

Out of my mind. Back in five minutes.

NyQuil, the stuffy, sneezy, why-the-heck-is-the-room-spinning medicine.

God must love stupid people; He made so many.

The gene pool could use a little chlorine.
