President's Memo

Hello Members

I would like to take this time to thank you all for your support this last 34 months for Virginia and myself. Virginia lost her battle to Alzheimer's and found her way home. Now 5 days after the passing of Virginia we lost another member Billy Carpenter. Billy passed doing what he enjoyed, being on a Model A tour. Our deepest sympathy goes out to the Carpenter family. May they both rest in peace.

Now on another note this is the time of the year the fall where most Model A clubs are putting up their cars for the winter. We here in Texas are fortunate we can drive our cars most of the year. There is still time for us to do a day tour maybe for lunch or check out the fall foliage. (Just saying)

Remember our car show at the Dairy Queen November 3rd.

Our next meeting Nov. 6th. See you all there.

Walt Hellebrand
President

Editor's Note...

I have been your Newsletter Editor for several years, and in that time we have had some of our members pass. I have found that trying to put together a newsletter when this happens is always tough, but none more-so than this month with us losing Virginia and Billy. How do you do justice to them? I really don't know.

Walt's words above are simple and direct from the heart. I don't think I can add anything. I won't try.

Rest in peace, Virginia and Billy.

Sincerely,

Bill Lee
Webmaster/Newsletter Editor

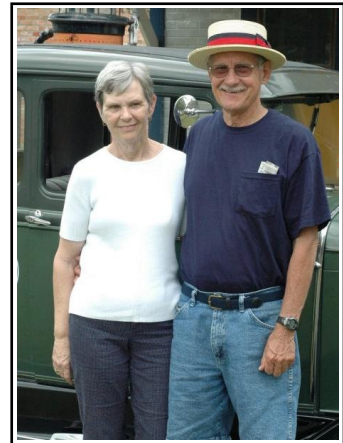

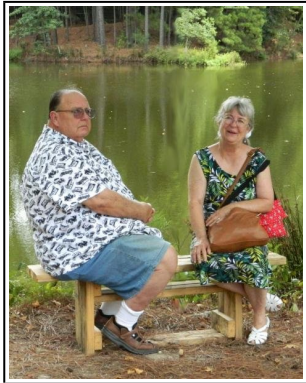

Sunshine Report Sue Capps

O V has been in the hospital all week...going back to Eddie's home.

Gerald Phariss' heart surgery on Thursday, November 1 to replace the aortic valve was put on hold once again.

From Teena Shore

I just wanted to let you know that thanks to all of your prayers and positive thoughts Kathy Stults has recovered and has returned to her home in Florida. I came with her to help her get organized. Now my other sister Sharon Woods is in the hospital. She has been in a lot of pain and will undergo surgery tomorrow. She has a hole in her stomach. Thank goodness that her loving husband Doyle Woods is taking good care of her since I am out of town. Please pray for her.

Autumn Trails – Winnsboro

October 26-28, 2018

There were only fourteen of us this year, but as usual...we had a great time!

The stew at the Willis farm Friday night was well attended...and delicious...lots of cheese, crackers, pickles, cornbread and 35+ gallons of beef and chicken stew....and lots of cookies, pies and cake! Just too many to sample them all!!!

The parade was l-o-n-g this year...I believe Tex Willis said 54 Model A'sa total of 150+ great cars...

Walt and his son, David Hellbrand...Gerald and Emma Phariss, with furry baby, Emily...along with Robert Tucker, Emma's brother..and furry baby Buddy who rode in the rumble seat.

Gary and Carolyn Vick in their Model A truck.

Harris Lege chauffeured the Mayor of Winnsboro.

John and Teena Shore drove their Lincoln pickup truck.

Ken and Lillian drove in the parade too. Lillian looked great....she said she felt great! It was so good to see her out and about!

The weather was perfect! We could not have asked for better.

The Saturday night was good too....Bill Capps won a huge yellow mum for me in the raffle drawing. and of course, we had lots of barbecue.

The Sunday morning drive thru the country was outstanding....cool, crisp air and so many people waving to us along the way....

I love Winnsboro...this was the 27th year for me and Bill to attend...already looking forward to next year!

Autumn Trails (continued)

The "Basket Case Coupe"

Back early this year, Ken picked up a coupe from a gentleman in Chandler, Jim Harbaugh. The car was partially restored (running gear) many years ago and then left until Ken got it. Progress has been made, here are some pictures of it in various stages.

Looking good! Stone Brown.

Thoughts

(Paraprosdokians are figures of speech in which the latter part of a sentence or phrase is surprising or unexpected and is frequently humorous. (Winston Churchill loved them).)

Where there's a will, I want to be in it.

The last thing I want to do is hurt you ...but it's still on my list.

Since light travels faster than sound, some people appear bright until you hear them speak.

If I agreed with you, we'd both be wrong.

We never really grow up -- we only learn how to act in public.

War does not determine who is right, only who is left.

Knowledge, is knowing a tomato is a fruit. Wisdom is not putting it in a fruit salad.

To steal ideas from one person is plagiarism. To steal from many is research.

I didn't say it was your fault, I said I was blaming you.

In filling out an application, where it says, "In case of an emergency, notify..."
I answered "a doctor."
