President's Memo

Need parts?

Well, I'm guessing that this stock is pretty well gone. It's a picture of the supply during the Model A era. From the looks of the front fenders shapes, I think those are for the '30 & '31 year models. How would you like to run across a stock room like that today.

I've had a trash in the fuel tank problem, however, I've got a solution which as worked for me in the past. It's not a chemical. I hope it will work again for me to avoid changing out a tank! I'll share it at our next meeting, which is next Tuesday @ DQ in Seven Points.

I'm sure that every one is eager to hear about vacations are drawing to a close. Thanks, Sue Capps for keeping us all updated on events.

Tuesday Breakfast August 20, 2019

Fifteen members met Tuesday for our monthly breakfast at the Pit Stop Cafe in Trinidad. This was a new location for many of us, and after a minor glitch getting started, all had good food and fellowship.

Sunshine Report Sue Capps

O V Cliver is still at The Center on Grande in Tyler. He is doing about the same. Eddie, JoAnn and Evelyn are taking turns staying with him. He has rehab every day from 11am -12:30.

Bill Capps had a third heart ablation. He is now out of AFIB again.

Sandra Lee had cataracts repaired in both eyes, doing well in spite of the bruising and red-eye.

Chuck Cheshire is well after recent heart attack and stent additions.

Sue Capps

Three surgeons are discussing who makes the best patients to operate on. The first surgeon said, "Electricians are the best, everything inside is color coded."

The second surgeon says, "No, I think librarians are, everything inside them is in alphabetical order."

The third surgeon shut them up when he said, "You're all wrong. Politicians are the easiest to operate on. There's no guts, no heart, no brains, and no spine. Plus, the head and the butt are interchangeable..."

Ken Parker is making great progress on the woody he is building. Looks very familiar but definitely a unique design and implementation. Gary Vick has been helping with some of the woodworking. Solid oak! Looking good!

Need Tires?

An e-mail received from Snyder's, one of our most significant Model A vendors.

We at Snyder's Antique Auto Parts want to inform our customers of the Firestone Rebate program. You can receive a rebate of \$60.00 when you buy 4 select Firestone tires from September 1 to October 31, 2019. See the attachment on our website (snydersantiqueauto.com) at the below product numbers, for details about the tire rebate and a rebate form.

The Firestone tires that qualify for the rebate are:

FOR SALE 1930 Coupe

You may remember the “basket case coupe” that Ken bought a year ago last February. Well the restoration is complete and Ken wants to sell it. It is a 1930 coupe. He is asking \$10,900 (negotiable!) for it. Contact Ken at 903-952-7615 or via e-mail at kenparker@aol.com

Thoughts

Try to remember that the greener grass across the fence may be due to a septic tank issue.

Just like that: 1969 was 50 years ago!

If your eyes hurt after drinking coffee, perhaps you should first take the spoon out of the cup.

I find these days that most conversations start with "Did I tell you this already?" or "What was I going to say?".

I never wish death upon anybody who wrongs me. I wish sudden, explosive diarrhea while on a date, with frequent sneezes.

Instead of a sign that says "Do not disturb.", I need one that says "Already disturbed, proceed with caution.".

If you're paying \$3.00 for a bottle of smart water, it isn't working.

Everything will kill you, so choose something fun.

I came, I saw, I forgot what I was doing, retraced my steps, and got distracted on my way back. I have no idea what's going on and now I have to pee.
